"Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time."

Today's Program

Linda Plunk, newspaper columnist, local historian, and Friend of the Martin Public Library, will tell stories of historical Martin. Be prepared to ask questions! She will have with her a calendar with photographs highlighting the history of Martin.

Next Week: October 11— Program: Long time Kiwanis friend Chris Baxter of UTM's Political Science will present our program.

Last Week: Dr. Debbie Reynolds (center) discussed her work at Veterinary Home Healthcare and the holistic approach to veterinary care when she visited the Martin Kiwanis Club on September 27. She explained that she and her team make house calls and practice integrative medicine by supporting patients through both traditional and holistic means. "Dr. Debbie," as she is affectionately known, is certified in hospice care for animals. She also described what is offered through The Blessed Pet Shop, which has products that may help dogs and other animals thrive. Attending the meeting with Debbie was her daughter Ivy (left), the 2020 winner of the Martin Kiwanis Club Service

4-H Update: Kiwanis Member Mary Morgan is a frequent exhibitor at the Martin Farmers Market and always has something to demonstrate such as making homemade butter by putting cream in a jar and shaking it for 10 minutes or so. Mary

states that there are 64 4-H clubs in Weakley County with approximately 1,092 members in grades 4th through 12th. These numbers include clubs at Central Christian Academy and 2 homeschool clubs. We have 4-H in every Elementary school and in 4 of the middle schools. She is busy serving the children of the world!
