Today's Program

Kim Hughey, Weakley County Court Clerk, concerning the driver's license process at the courthouse

Last Week's Meeting

A note from Katie: We had an important and wonderful discussion last Wednesday at our meeting. No changes or votes were made but ideas were discussed including the following:

Vacancy in President Elect and VP: Hannah Bilger will be on ballot for VP. We will have an election within the month. President Elect - LT and Katie are willing to split the year next year. If someone else would like to take the position, let us know.

Do committees need to meet quarterly as they used to?
Concern was voiced about the fact that people were not used to showing up to those meetings when they used to happen. Several people voiced that we should probably try again. Program committee-- we need a list of all the months and who is in charge of each month. Where are the holes? Danelle said that she never asked to be removed. She would be glad to still take a month.

Do we want to do summer programs as we did last summer?
There was discussion about programs in general more than summer. Several mentioned that the programs should be related to children in the community since that is our mission. Linda R. mentioned that we might also consider that the community includes all ages. Some ideas for built-in programs each year, such as the SK Airee Scholarship and Boy and Girl Scouts since that scholarship ideally goes to one of those. Next Board meeting we could make a list of those organizations that we donate to every year and reach out to them about giving a program to tell us about what they are doing with the donations we are giving them. Some expressed that we already do this with some organizations. (Parks and Rec, 4H)
